Subject: Petersen Ranch Mitigation Bank - 2020 Annual Report [USACE File No. SPL-2012-00669-BEM, CDFW File No. 1798-2013-04-R5, RWQCB File No. 15-052]

Hello IRT,

The 2020 Petersen Ranch Annual Monitoring Report has been uploaded to RIBITS (you will need to be logged in to access it) and is available for download via Hightail at the following link:

<https://spaces.hightail.com/space/TNiEFrFAPX>

WRA is trying not to do printed reports at this time due to COVID, but if you require a hard copy please let me know and I can coordinate having a hard copy printed and shipped. If you are unable to download the report via RIBITS or the above link, please let me know and we can try something different.

The 2020 report covers Year 3 (Area A) and Year 4 (Area E) performance monitoring for the bank. I will follow up next week with a Doodle poll to schedule the next IRT meeting to review and discuss the results of the report.

Thanks and have a wonderful weekend,
Marlene
